## **Big Buddy: Carmen Barber**, Community Program.

**Where were you born?** *Cumbria, Northern England.*

**When and where are you happiest?** *When I am with people who I feel close to. I am extremely lucky to have such great people in my life and who I consider my Colorado family.*

**I have a Little Buddy because:**

*It is just like any good relationship – it just keeps giving.*

**What motivated you to get involved with the Buddy Program?**

*I don't have many children in my life, so it was the desire to see the environment we live in through a younger person's eye and give back more to the community.*

**What insights have you gained from your Little Buddy?**

*I am learning to appreciate a different perspective on life, and to recognize how easily you can truly make a big difference on someone through very simple means.*
