

Career Opportunity: Development Coordinator

About the Buddy Program

Join our team!

For 50 years, the Buddy Program has been serving youth in the Roaring Fork Valley community. We operate four programs, including one-on-one mentoring and group/experiential mentoring, known as our LEAD (Leadership through Exploration, Action, and Discovery Program). Mentor/mentee pairs in our Community Program stay together for 3.5 years, nearly twice that of national mentoring programs. Program evaluations demonstrate the Buddy Program has helped our Little Buddies in areas of self-esteem, decision-making, academics and relationships with friends and family. The Buddy Program works with 400-450 youth and their families each year and an additional 135+ adult volunteers and continues to grow to meet the large need in our local community. The Buddy Program is a registered 501(c)(3) not-for-profit organization.
