

Thank you for supporting the Buddy Program's mission to empower youth through mentoring experiences in order to reach their full potential this summer!

Dear Jamie,

Yes it's true. School may be starting this week in the Roaring Fork Valley Aspen Skiing Company has released their 2014-15 Season Pass prices, and there have been sightings of leaves starting to change . . . but technically it's still summer and we're not ready to see it end either! That said, we are delighted to share with you all of the great things that have happened with the Buddy Program over the summer.

Most importantly, we want to say a heartfelt THANK YOU to everyone who supported the Buddy Program this summer - whether you bought a cup of Lemonade on Lemonade Day on June 14, raced Boogie's Buddy Race on July 4, had a Honky-Tonkin' good time at the Bash on July 10, or volunteered as a Big Buddy or at an event - we deeply appreciate all of your and our community's very generous support.

It's your support that enables the Buddy Program to serve nearly 1,000 youth and their families throughout the Roaring Fork Valley. All of our programs and services are provided at no cost to all of our participants. This is only made possible through the generous contributions of people like you. If you weren't able to contribute yet this summer, but would still like to, please [click here](#).

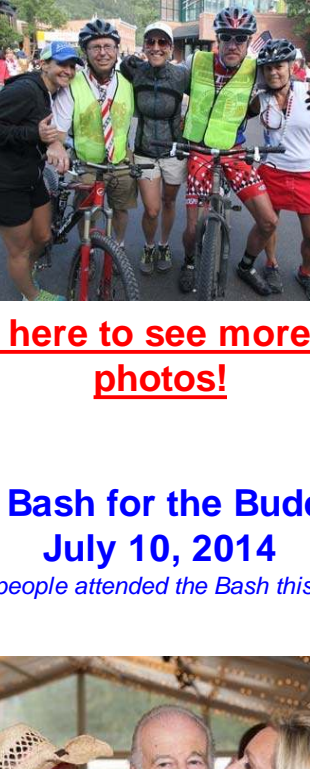

We hope you enjoy these last few weeks of summer!

Sincerely,

David E. Houggy
Executive Director
